

NEW \*\*\*\*Many families consider cremation as an alternative to traditional burial, but *need and want* to know more about this most important and final decision which offers various memorialization options. Choosing cremation over a traditional funeral requires increased knowledge and awareness, as it is becoming more acceptable and has taken its deserved place within today's modern funeral traditions. Similar to those who choose traditional burial, people who select cremation are from all walks of life.

**Many people have chosen Eternal Reefs Advance Planning as part of their legacy plan. By preplanning your own memorial today, you are assured that your final needs will be carried out in the manner you wish and when that time comes, keeping your memory alive for your family, while restoring the ocean reefs.**

To review our “at-sea” memorialization options, go to our special advance planning page at [www.advplan.net](http://www.advplan.net). There you will see the benefits of this advance planning program and learn how you can pre-arrange all your memorialization details, in advance, including prepayment.
